

Breast Cancer Awareness Month at Harris & Harris!

October, 201

October is Breast Cancer Awareness Month. This has become one of the most nationally recognized monthly events. In October, you see pink everywhere! It is an annual campaign to increase awareness of breast cancer and this disease. While increasing awareness, one of the other main goals is to remind everyone of the steps and plans for early detection, and to encourage preventative measures and screenings.

Harris & Harris ran a fundraising campaign to support Breast Cancer Awareness research. We raised over \$2,000 donated from our employees. Compared to last year, we raised double the amount in 2015! Our generous owners, Arnie and Dave Harris, matched the donation, with a total of \$4,416 to be donated to American Cancer Society on behalf of Breast Cancer.

Harris & Harris is a proud supporter of the American Cancer Society, for various events, campaigns, and fundraisers throughout the year.

As a company, we are thrilled to be able to participate in Breast Cancer Awareness month. Every step helps, and with fundraising and awareness, we are only further educating our employees as well as the rest of the world. We are proud sponsors of the American Cancer Society!
