

# Chicago Heart Walk and American Heart Association

September 2015

The 2015 Metro Chicago Heart Walk took place on September 25, 2015, in downtown Chicago at Soldier Field. This event is in coordination and support of the American Heart Association. Many different Heart Walks take place all over the country throughout the year. The mission statement is, “building healthier lives, free of cardiovascular diseases and stroke.”

As a company, we are thrilled to be able to participate in the American Heart Association’s Heart Walk. Harris & Harris contributed to and participated in the event, while supporting Advocate Health Care. The Advocate Health Care team was the top contributing organization for the Chicago Metro Heart Walk.

Harris & Harris takes pride in supporting the many organizations and events that promote wellness, awareness, healthy lifestyles and educating America. While this was our companies’ first time attending the Heart Walk, it will not be the last!
